ENCHANTED TO MEET YOU

*Sometimes it's not what you say,
it's where you are, when you say it.*

Magnolia walls make us sad. Beige tables. Plastic chairs.
Nobody wants to work in a sterile room. Who says? Science.
Study after study has proven it.

To inspire and motivate, people's environment is really
important. Need to close that deal? Want people to remember
what you're training them? Like them to work together on some
new initiative?

Well stack the odds in your favour.
Our quirky rooms make work, well... work.

Say goodbye to guests to falling asleep in a soulless,
corporate shell.

A ROOM FOR EVERY SPLENDID OCCASION

We have three styles of rooms for hire.

Having a big meeting? The Drawing Room seats 18 in a boardroom style. A country classic? Our Billiard Room fits eight and is complete with rolling hills and fireplace. Fancy getting a little more intimate? The Library is moody and cosy, perfect for up to eight in a vintage style snug.

We have plenty of free parking. Our Marsh Barton location means easy access from the M5 and A30. Oh, and don't forget, all of our meeting rooms include all-you-can-drink *from-the-bean* coffee, tea and chilled water.

Each room is air-conditioned, for relief on those few hot days. And heated the rest of the year.

Say goodbye to boring.
It's time to liven up your next meeting.

THE LIBRARY FOR HIRE

Your meeting guests will love the cosy feel of this room.
Perfect for a more 'intimate' get together.

Inspired by a vintage book fanatic, The Library is the ideal venue to test an interviewee's knowledge, make your next best business decision or inspire a strategic move.

A library, without the pesky distraction of real books.

Comfortably seats eight people in a boardroom style layout, with comfy chairs and solid wood tables. All the standard features such as TV, flipchart, air-conditioning and hot drinks are included.

THE BILLIARD ROOM

FOR HIRE

Fancy a game, old bean? No, of course not.

Work to be done. So welcome to Exeter's only Billiard Room, without a billiard table.

Enjoy the airy ambiance of country house? Rolling landscapes. Cosy fireplace. An antler chandelier? Check. The finishing touches make the difference. They make the difference to your meeting. Be the catalyst to getting your guests to think creatively.

The Billiard Room seats eight in a dining room style, with connections to a wall-mounted TV and all the other features included as standard such as flipchart, air-conditioning, WiFi and hot drinks.

THE DRAWING ROOM

FOR HIRE

A nod to the decadent state rooms of Downton Abbey. The Drawing Room never fails to impress. Gorgeously ornate walls, solid dark wood furniture and feature ceiling.

The Drawing Room seats up to 18 comfortably, with room to squeeze in a couple more if needed. Give board meetings the gravitas they deserve. Or train larger groups in a comfortable and elegant space

With a 55" HD TV, you'll have plenty of temptation to avoid 'death by powerpoint' and heaps of room for your guests to watch. Need a different layout? No problem, just ask. A boardroom style meeting isn't for everyone. We can rearrange the layout to a theatre style or move the tables into a horseshoe or into groups with a separate break out area.
